

# The Washington PTA wants you to have fun reading this summer with Summer Reading Bingo!

Start by choosing a square, and then complete its reading activity. Once you're done with the activity, color in the square. Keep playing all summer until you have completed the activities for all of the squares and your gameboard is totally filled in.

Keep your gameboard in a safe place and your new teacher will collect it soon after school starts back. The WES PTA will reward all students with a special prize who complete their gameboards and turn them in!

If you lose your gameboard, or would like to fill in more than one, just go to the Washington PTA website at <http://www.wizardpta.org/helpful-documents.html> to print a new one.

## **HAPPY SUMMER READING!**
