

Hello!

You are cordially invited to join the PTA here at Washington Magnet Elementary!

The PTA at our school plans and orchestrates favorite traditions such as the Scholastic Book Fair, Arts and Letters Night, Math and Science Night, Teacher Appreciation Week, and Fifth Grade Graduation. We also partner with teachers, staff, and administration to fundraise for and provide things everyone needs, like technology, school maintenance and beautification, and digital subscriptions.

By joining the PTA, you can make your voice heard as a voter in meetings, and you'll be lending your strength to advocate for our school in statewide PTA decisions.

You aren't required to volunteer if you join - just having your family as a part of PTA is an asset!

The PTA is the oldest and largest child advocacy association in America. Today's PTA is comprised of over 4 million parents, teachers, grandparents, caregivers, foster parents and other caring adults who share a commitment to improving the education, health and safety of all children. We speak with one voice for every child. We hope you will join us to support children, families and our school. Anyone in our community can join Washington's PTA.
